Curricula of Architecture Master Program of University of Pécs (2012)

				1. semester					2. semester					3. semester					4. semester					5. semester					6. semester					7. semester					8. semester					9. semester					10. semester				
General Studies in Engineering		**25**	**30**																																																				
Mechanics 1. (Statics)	PM-KSTNE042/1	4	5	2	2	0	E	5																																															
Mathematics b/1.	PM-KMANE005	4	5	2	2	0	E	5																																															
Descriptive Geometry 1.	PM-KTENE014	4	4	2	2	0	E	4																																															
Mechanics 2.	PM-KSTNE043/2	3	4						1	2	0	E	4																																										
Mathematics b/2.	PM-KMANE006/1	3	4						1	2	0	E	4																																										
Descriptive Geometry 2.	PM-KTENE015	3	4						1	2	0	E	4																																										
Application of Computer 1.	PM-RESNE080	2	2											0	0	2	m	2																																					
Application of Computer 2.	PM-RESNE081	2	2																0	0	2	m	2																															
Economic Sciences and Humanities		**30**	**35**																																																				
Philosophy	PM-RPENE046	2	2	2	0	0	m	2																																															
History of Architecture 1.	PM-RTENE024	2	3						2	0	0	E	3																																										
Economics 1.	PM-KMENE020	2	3											2	0	0	E	3																																					
History of Architecture 2.	PM-RTENE025	2	3											2	0	0	E	3																																					
History of Architecture 3.	PM-RTENE026	2	3																2	0	0	E	3																															
Theory of Architecture	PM-RTENE007	2	3																					2	0	0	E	3																										
Art History 1.	PM-RTENE070	2	2																					2	0	0	E	2																										
Art History 2.	PM-RTENE071	2	2																										2	0	0	E	2																						
Art History 3.	PM-RTENE072	2	2																															2	0	0	E	2																
Architecture 1.	PM-RTENE027	2	2																															2	0	0	E	2																
Sociology	PM-KMENE132	2	2																																				2	0	0	m	2												
Architecture 2. (MA)	PM-RTENE100	2	2																																				2	0	0	E	2												
Enterprise Management	PM-KEKNE037	2	2																																									2	0	0	m	2						
Legal Studies for Architects	PM-KMENE016	2	2																																									2	0	0	m	2						
Architecture 3. (MA)	PM-RTENE101	2	2																																									2	0	0	E	2						
General Studies in Architecture		**116**	**117**																																																				
Architectural Drawing 1.	PM-RTENE012/1	2	3	0	2	0	m	3																																															
Construction Materials	PM-RATNE097	4	3	2	0	2	E	3																																															
Practice in Fine Arts	PM-RTENE143	1w	1						0	1w	0	a	1																																										
Practice in Design	PM-RTENE144	1w	1						0	1w	0	a	1																																										
Architectural Drawing 2.	PM-RTENE013/1	2	3						0	2	0	m	3																																										
Building Constructions 1.	PM-RESNE037	7	7						3	4	0	E	7																																										
Building Design 1.	PM-RTENE017	4	5						1	0	3	m	5																																										
Architectural Drawing 3.	PM-RTENE014	2	3											0	2	0	m	3																																					
Engineering Physics 1.	PM-REGNE031	2	2											1	1	0	E	2																																					
Building Constructions 2.	PM-RESNE038	7	7											3	4	0	E	7																																					
Building Design 2.	PM-RTENE018	4	5											1	0	3	m	5																																					
Construction Technology 1.	PM-REKNE004	2	2																1	0	1	E	2																															
Geodesy 1.	PM-RKGNE049	4	3																2	2	0	E	3																															
Architectural Drawing 4.	PM-RTENE015	2	3																0	2	0	m	3																															
Engineering Physics 2.	PM-REGNE032	2	2																1	1	0	E	2																															
Building Design 3.	PM-RTENE019	4	5																1	0	3	m	5																															
Building Constructions 3.	PM-RESNE039	7	7																3	4	0	E	7																															
Practice in Construction		4w	0																					0	4w	0	a	0																											
Construction Technology 2.	PM-REKNE005	2	2																					1	0	1	E	2																											
Architectural Drawing 1. MSc	PM-RTENE117	3	2																					0	3	0	m	2																											
Urban Studies 1.	PM-RURNE130	2	2																					1	1	0	m	2																											
Building Design 4.	PM-RTENE020	5	5																					2	0	3	m	5																											
Foundation	PM-RATNE102	2	2																					2	0	0	E	2																											
Building Constructions 4.	PM-RESNE140	7	7																					3	4	0	E	7																											
Building Services Engineering	PM-RGENE150	2	2																					1	1	0	m	2																											
Architectural Drawing 2. MSc	PM-RTENE118	3	2																										0	3	0	m	2																						
Construction Management 1.	PM-KEKNE138	3	2																										1	2	0	E	2																						
Load-Bearing Structures 1. (Reinforced concrete structures)	PM-RSTNE029	3	2																										1	2	0	E	2																						
Building Constructions 5.	PM-RESNE041	6	7																										2	4	0	E	7																						
Building Design 5.	PM-RTENE121	5	5																										2	0	3	m	5																						
Complex Accessibility		2	3																															0	2	0	m	3																		
Practice is Architectural Planning. 1.		4w	0																															0	4w	0	a	0																		
Architectural Drawing 3. MSc	PM-RTENE119	3	2																															0	3	0	m	2																		
Construction Management 2.	PM-KEKNE039/1	3	2																															1	2	0	E	2																		
Timber Structures	PM-RESNE162	2	2																															2	0	0	E	2																		
Load-Bearing Structures 2. (Steel Structures)	PM-KSTNE150	3	2																															1	2	0	E	2																		
Architectural graphics	PM-RTENE106	2	2																															0	2	0	m	2																		
Construction Management 3.	PM-KEKNE040	3	2																																				1	2	0	E	2												
Professional Studies in Architecture		**77**	**103**																																																				
Basics of Architecture (module A)	PM-RESNE008	2	3	2	0	0	E	3																																															
Basics of Architecture (module B)	PM-RESNE010	2	3	2	0	0	m	3																																															
Basics of Architecture (module C)	PM-RTENE009	2	3	2	0	0	m	3																																															
Ecology in Architecture Basics		2	3																					1	1	0	m	3																											
Design 1.	PM-RTENE047/1	3	3																										1	2	0	m	3																						
Preservation of built heritage 1.	PM-RESNE064	2	2																										2	0	0	E	2																						
Building Design 6.	PM-RTENE022	4	6																															0	4	0	m	6																		
Preservation of built heritage 2.	PM-RESNE065	2	2																															0	2	0	E	2																		
Design Methods 1.	PM-RTENE030	2	2																															2	0	0	E	2																		
Building Constructions 6.	PM-RESNE042	4	4																															2	2	0	m	4																		
Furniture Design and History	PM-RESNE092	2	2																																				2	0	0	E	2												
Building Design 7.	PM-RTENE023	4	7																																				0	4	0	m	7												
Landscape and Garden Design 1.	PM-RTENE040	2	2																																				2	0	0	E	2												
Urban Studies 2.	PM-RURNE131	2	2																																				1	1	0	m	2												
Design Methods 2.	PM-RTENE031	2	2																																				2	0	0	E	2												
Design of Building Structures 1.	PM-RESNE035	4	4																																				2	2	0	E	4												
Practice is Architectural Planning. 2.		4w	0																																									0	4h	0	a	0						
Town and Spatial Planning	PM-RURNM135/2	3	2																																									1	2	0	m	2						
Landscape and Garden Design 2.	PM-RTENE041	2	2																																									2	0	0	E	2						
Design of interior Spaces	PM-RTENE029	3	3																																									0	3	0	E	3						
Preservation of built heritage 3.	PM-RESNE066	2	2																																									0	2	0	m	2						
Design Methods 3.	PM-RTENE032	2	2																																									2	0	0	E	2						
Design of Building Structures 2.	PM-RESNE036	4	4																																									2	2	0	E	4						
Complex Design	PM-RESNE057/1	5	8																																									0	5	0	m	8						
Diploma Design Project	PM-TESNE205	15	30																																														0	15	0	a	30
Electives		**12**	**15**																																																				
Facultative 1.		2	3											2	0	0	m	3																																					
Facultative 2.		2	3											2	0	0	m	3																																					
Facultative 3.		2	3																2	0	0	m	3																															
Facultative 4.		2	2																										2	0	0	m	2																						
Facultative 5.		2	2																										2	0	0	m	2																						
Facultative 6.		2	2																																				2	0	0	m	2												

Total Analisys of Full Program	**260**	**300**																																																					
Number of Credits	300		**16**	**8**	**2**		**31**	**9**	**12**	**3**		**32**	**13**	**7**	**5**		**31**	**12**	**9**	**6**		**30**	**15**	**10**	**4**		**30**	**15**	**13**	**3**		**29**	**12**	**19**	**0**		**31**	**16**	**9**	**0**		**27**	**13**	**14**	**0**		**29**	**0**	**15**	**0**		**30**
Number od Study Hours/week (all)	260		**26**					**24**					**25**					**27**					**29**					**31**					**31**					**25**					**27**					**15**				
Number of Study Hours/week (lectures)	121		**16**					**9**					**13**					**12**					**15**					**15**					**12**					**16**					**13**					**0**				
Number of Study Hours/week (practical lessons)	116		**8**					**12**					**7**					**9**					**10**					**13**					**19**					**9**					**14**					**15**				
Number of Study Hours/week (for project)	23		**2**					**3**					**5**					**6**					**4**					**3**					**0**					**0**					**0**					**0**				
Exam	47					**5**					**5**					**4**					**5**					**5**					**5**					**7**					**6**					**5**					**0**	
Mid-semester Exam	37					**4**			**0**			**5**			**0**						**4**					**5**					**5**					**5**					**4**					**5**					**0**
